

## Frequently Asked Questions – Birthday Parties

### **Q.1 If I have additional questions or comments, who do I talk to?**

**A.1** If this FAQ sheet does not answer your questions, please contact Coast 2 Coast Soccer at (760)646-5815 or by email at [info@c2csoccer.com](mailto:info@c2csoccer.com). Alternatively visit [www.c2csoccer.com](http://www.c2csoccer.com).

### **Q.2 What are the first steps to arranging a birthday party?**

**A.2** Complete our information request form and we will email you a registration form. Please complete this and email it to [info@c2csoccer.com](mailto:info@c2csoccer.com). You will need a back yard with a decent amount of space (40 yards by 40 yards). Alternatively, you will need to be able to access a local park for the birthday time and day. A park is usually preferable.

### **Q.3 What happens then?**

**A.3** Coast 2 Coast will email you with a quote and contact you over phone within 24 hours of sending emailing this quote. Our price for a 1 or 1.5 hour session is \$125. There are additional costs based on the number of gifts you would like at the birthday e.g. balls, jerseys, shorts and wristbands.

### **Q.4 What does the Coast 2 Coast birthday party consist of?**

**A.4** The party will consist of the most fun soccer games that Coast 2 Coast has to offer. All our coaches are highly enthusiastic and will make it a great occasion. Parents who book Coast 2 Coast birthday parties are often those who have previously registered their child for a summer camp or for an after school program. We can tailor the games to what you and your child would like.

### **Q.4 Can parents and siblings participate?**

**A.4** Yes. We will ask you to confirm that there will be a certain number of children for the majority of the session. These children will receive the gifts that you request. If there are many additional siblings who would like to join in, we suggest it is best to introduce these siblings towards the end of the session. We also suggest that it is best for parents to join in towards the end of the session. However, Coast 2 Coast want to maximize your child's and his/her friends' enjoyment so we are flexible to suit your needs.

### **Q.5 Do I have to sign a waiver?**

**A.5** Yes. In this day and age, everything is very litigious so we have to move with the times. We would ask that you sign one waiver. We will email it to you after the party registration has been confirmed and we would ask that you give it to the coach before the session.

### **Q.5 Do I need to bring anything additional?**

**A.5** We suggest that the children wear sunscreen, have bottles of water available and wear sports wear. A big bowl of colorful fruit is always nice as well 😊

### **Q.6 What is your availability like?**

**A.6** It is rare that we are booked out.

### **Q.7 What happens after booking the party?**

**A.7** We will email you a waiver. The coach will collect this on the day. The coach will call you 7 days before the Birthday Party to introduce him/herself. The coach will again call you one hour before the party to confirm that he/she will arrive 15 minutes early to set up.

### **Q.8 Is this a new offering by Coast 2 Coast?**

**A.8** Yes. We have introduced this in 2010 and have had terrific feedback from parents so far.
