

CITY OF CARLSBAD PARKS & RECREATION

To whom it may concern,

The City of Carlsbad has partnered with the Coast 2 Coast Coaching to hold soccer programs in the spring and summer for the past 4 years.

Their camps are our most popular and receive the highest reviews from parents in our city.

They do not only teach the fundamentals of the game, but necessary life skills as well; such as healthy eating, sportsmanship, and daily character trait lessons.

We are extremely pleased with the level of respect, courtesy, and knowledge they possess and pass on to the camp participants. We look forward to working with them for many years to come!
