To Whom It May Concern:

For the past two summers, Coast to Coast Irish Soccer has been contracting with the City of Dana Point in providing the Coast 2 Coast Irish Soccer Camps. These camps have been well received by the community.

Chris Murphy and his staff have been a pleasure to work with. They are very courteous, conscientious, well organized and skilled in the program that they teach. Their program has been a great addition to our recreation programming.

Sincerely,

Sherry Murphy
Recreation Supervisor II
