To Whom it May Concern,

This letter is in reference to the services provided by Coast 2 Coast Coaching. The City of Encinitas worked very closely with Coast 2 Coast Soccer over the last few years, the results have been awesome. Coast 2 Coast provides an excellent summer camp experience for our customers by providing top notch coaches that have the proper training to deal with kids of all ages and abilities. Our expectations were exceeded by coaches and owners of the business. Coast 2 Coast did a fantastic job developing age appropriate curriculum for the campers. The Irish coaches were awesome, they demonstrated a vast knowledge of the sport and made each and every camper feel special. I would highly recommend Coast 2 Coast as your instructional soccer provider.

Sincerely,
