Dear Robbie,

On behalf of the City of Laguna Hills, I would like to thank you and the entire Coast 2 Coast Soccer staff for continuing to offer quality soccer programs to our local community.

We have enjoyed working with Coast 2 Coast for many years. Both the administrative staff and the coaching staff are helpful, reliable and pleasant to work with. We especially appreciate the efforts you put into assisting us promote your camps, and we thank you again for bringing such a strong program to our youth.

We look forward to offering Coast 2 Coast soccer camps again in the summer of 2011!
