*Recreation &
Community Services*
Saddleback Valley Unified School District

To Whom It May Concern:

The Coast to Coast Soccer Organization has been running camps for our organization since 2007. They always have been professional and organized. Parents and participants have always been pleased with the camp structure and instruction. They unquestionably have a solid reputation and definitely live up to it. Without hesitation, I would certainly recommend this organization to any municipality, wishing to provide a quality soccer camp for their organization.

If you have questions regarding, this organization, feel free to contact me at (949) 460-2734

Thank you,

Jeff Cannon
Recreation Sports Division Supervisor
